# BLUE CRANE ROUTE MUNICIPALITY

## **FORMAL WRITTEN QUOTATION NOTICE**

**PROJECT NAME: SUPPLY, DELIVERY AND INSTALLATION OF DOMAIN SERVER**

**FWQ NUMBER: FWQ 08/2012**

### **Background**

The BCRM requests quotations to supply, deliver and install a domain sever including a server Rack in order to upgrade their IT Infrastructure to the required IT Standard.

The scope of this RFQ comprises of the following:

- Familiarizing the client regarding the existing IT environment and systems.
- Facilitate agreement with the municipality as to the recommended purchases and upgrades required to ensure an adequate level of operations.
- Procurement of the agreed products
- Installation and implementation of the procured hardware and software and the integration with the Council's IT networks and systems, according to the municipalities policies and procedures.
- Setting up the current domain and Migrate users to the new environment.
- Enabling remote access for the administrator and mobile user (VPN solution).
- Setting up roaming profile for the users.
- Configuration of the daily backup system for the user's data.
- Setting up remote desktop for the Administrator.
- Configure the server to restart automatically after power failures.
- Provision of basis training to the client to use the relevant hardware and software.
- Provision of support services according to the agreed support service level agreement.
